1

All children are assessed on entry using 'Development Matters' statements.

2

further informal assessments are completed e.g. Boxall profile/Coventry grid/sensory profiles

7

Where need continues and with continued dialogue with families we discuss need for further referral including application for an EHCP

Details of local authority support services for children and families can be found at <https://localoffer.haltonchildrenstrust.co.uk/>

6

Staff work with plans which are reviewed with families at least termly

3

We engage with families at the earliest opportunity to share our observations and discuss next steps

5

A support plan will be created using observations/assessments and input from professionals

4

With the support of parents and carers we make relevant referrals
